You are cordially invited to a

## Preview Show

Thursday June 27th, 2013 at 7pm

*The AIDS Chronicles—Here to Represent*, focuses on the social and cultural impact of HIV/AIDS on the African-American community of Atlanta and gives insight regarding why HIV/AIDS is still a major threat to the black population of urban centers nationwide.

The documentary was produced by award winning television producer and journalist, Bailey Barash. Barash spent 19 years with CNN from its inception in 1980.
